UCU statement on academic freedom. 1. One of the purposes of post-compulsory education is to serve the public interest through extending knowledge and understanding and fostering critical thinking and expression in staff and students, and then in society more widely. Academic freedom is essential to the achieving these ends and therefore to the development of a civilised democracy. 2.

UCU - UCU statement on academic freedom

Academic freedom is a matter of concern for all members of the university community, including permanent faculty, temporary teachers and researchers, and students. While each constituency has specific concerns, the risk of chilling effects on speech and research is a danger that each is exposed to.

Academic freedom in the UK - Policy Exchange

Academic freedom, on the other hand, is the individual right of professors and students to engage in the production, consumption and dissemination of knowledge without unreasonable restrictions. The principle of academic freedom is derived from the notion of freedom of thought, which is a basic human right.

Academic freedom is essential to democracy
