Developed by Apex Learning, the leading provider of AP courses on the Internet, this indispensable guide meets the needs of students who wish to prepare for the AP English Literature and Composition exam on their own. Comprehensive and easy to understand, with in-depth review of key content areas and four full-length practice tests with detailed answers for every question.

The two-volume Broadview Anthology of British Literature: Concise Edition provides an attractive alternative to the full six-volume anthology. Though much more compact, the Concise Edition nevertheless provides substantial choice, offering both a strong selection of canonical authors and a sampling of lesser-known works. With an unparalleled selection of illustrations and of contextual materials, accessible and engaging introductions, and full explanatory annotations, these volumes provide concise yet extraordinarily wide-ranging coverage for British Literature survey courses. New to this volume are Samuel Beckett's *Endgame* and Robert Louis Stevenson's *Strange Case of Dr. Jekyll and Mr. Hyde*; new authors include Dorothy Wordsworth, John Clare, Tomson Highway, Derek Walcott, and Chimamanda Ngozi Adichie. The third edition now also offers substantially expanded representation of Irish, Scottish, and Welsh literatures, as well as contextual materials on Gothic literature, Modernism, and World War II. Material that no longer appears in the bound book may in most cases be found on the companion website; many larger works are also available in separate volumes that may at the instructor's request be bundled together with the anthology at no extra cost to the student. Features New to the Third Edition – New longer texts including Dickens's performance reading of "David Copperfield," Gaskell's *The Manchester Marriage*, Stevenson's *Strange Case of Dr Jekyll and Mr Hyde*, and Beckett's *Endgame* – New short selections from longer works including Eliot's *Middlemarch*, Shelley's *Frankenstein*, Barrett Browning's *Aurora Leigh*, and Tennyson's *In Memoriam A.H.H.* – New bound-book author entries for Dorothy Wordsworth, John Clare, Emily Brontë, Thomas de Quincey, Walter Pater, Isaac Rosenberg, Tomson Highway, Derek Walcott, Jeanette Winterson, and Chimamanda Ngozi Adichie – New selections representing "Literary Currents in Ireland, Scotland, and Wales in the Long Nineteenth Century" – New "Contexts" section on "Gothic Literature" including materials by Horace Walpole, Ann Radcliffe, and Jane Austen – "Literature, Politics, and Cultural Identity" section includes numerous new authors and pieces, including work by Sorely MacLean, James Kelman, Gillian Clarke, Kamau Brathwaite, Kim Moore, and Warsan Shire

In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light.

## Read Online Apex British Literature Answers

Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors, and includes a wide selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, The Broadview Anthology of British Literature has established itself as a leader in the field. The full anthology comprises six bound volumes, together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. For those seeking an even more streamlined anthology than the two-volume Concise Edition, The Broadview Anthology of British Literature is now available in a compact single-volume version. The edition features the same high quality of introductions, annotations, contextual materials, and illustrations found in the full anthology, and it complements an ample offering of canonical works with a vibrant selection of less-canonical pieces. The compact single-volume edition also includes a substantial website component, providing for much greater flexibility. An increasing number of works from the full six-volume anthology (or from its website component) are also being made available in stand-alone Broadview Anthology of British Literature editions that can be bundled with the anthology.

The two-volume Broadview Anthology of British Literature: Concise Edition provides an attractive alternative to the full six-volume anthology. Though much more compact, the Concise Edition nevertheless provides instructors with substantial choice, offering both a strong selection of canonical authors and a sampling of lesser-known works. With an unparalleled number of illustrations and contextual materials, accessible and engaging introductions, and full explanatory annotations, this edition of the acclaimed Broadview Anthology provides concise yet wide-ranging coverage for British literature survey courses. Sylvia Townsend Warner, Stevie Smith, J.M. Coetzee, Eavan Boland, and Zadie Smith are among those given full author entries for the first time. There are also new selections by a number of authors who were already included in the anthology—among them Seamus Heaney, Margaret Atwood, and Carol Ann Duffy. There are new contextual materials as well—including material on “The Natural, the Supernatural, and the Sublime” in the Age of Romanticism section, and material on “The New Art of Photography” in The Victorian Era. The new edition concludes with a new section offering a range of poetry, fiction, and non-fiction prose under the heading “Literature, Politics, and Cultural Identity in the Late Twentieth- and Early Twenty-first Centuries.” The Concise edition will also now include a substantial website component, providing for much greater flexibility. And an increasing number of works from the full six-volume anthology (or from its website component) are being made available in stand-alone Broadview Anthology of British Literature editions. (Tennyson’s *In Memoriam*, for example, which was previously included in these pages, will now be available both as part of a stand-alone Broadview Anthology of British Literature edition of Tennyson’s selected poetry and as part of the website component of the anthology’s Concise Edition.)

Provides techniques for achieving high scores on the AP English literature exam and includes two full-length practice tests.

overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, The Broadview Anthology of British Literature has established itself as a leader in the field. The full anthology comprises six bound volumes, together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. For the second edition of this volume a number of changes have been made. Elizabeth Gaskell's "Our Society at Cranford" has been added, as has Anthony Trollope's "A Turkish Bath." Charles Dickens is now represented with a number of short selections. The selection of poems by D.G. Rossetti has been expanded considerably (the entire 1870 House of Life sequence is included), as has that by Michael Field. A selection of poems by two key figures who also appear in the anthology's twentieth century volume (Thomas Hardy and W.B. Yeats) is also now included. Several of the Contexts sections in the volume have been expanded—notably "The Place of Women in Society," which now includes material concerning the Contagious Diseases Acts) and "Britain, Empire, and a Wider World," which now includes a section on the Great Exhibition of 1851. The volume will also include additional visual material—including four more pages of full color illustrations. Inevitably, some selections have been dropped from the bound book; these will all remain available, however, on the anthology's website component. The most significant change in that direction is Dickens's A Christmas Carol. As well as remaining available on the website, that work—like Hard Times, Great Expectations, and approximately 100 other titles from the Victorian period, is available as a stand-alone volume in the Broadview Editions series, and may be added (at little or no additional cost to the student) in a shrink-wrapped combination package.
