In Kara Taylor's *Deadly Little Sins*, Anne Dowling investigates a mysterious disappearance, concluding the fast-paced and twisty *Prep School Confidential* series. It's August and Anne is back in New York City for the summer, but she can't escape the memories of the terrible things that happened at the Wheatley School last spring— and the possibility of being expelled looming over her. When an unexpected— and suspicious— turn of events gets Anne sent back to Wheatley, she's determined to figure out what happened to her favorite teacher and only adult ally at the school: Ms. Cross. After a shocking, gruesome murder with connections to the Wheatley School occurs, Anne is convinced there's more to Ms. Cross's sudden disappearance, and that her favorite teacher is in danger. But after an ugly breakup with Brent and a new, inexplicable distance between her and Anthony, Anne isn't sure who she can trust. And even worse, Anne discovers evidence that someone at Wheatley is covering up what really happened to Ms. Cross— someone who will stop at nothing to keep Anne from learning the truth in this engrossing, unputdownable read.

"There are secrets around every corner in Fayette, Pennsylvania. Tessa left when she was nine and has been trying ever since not to think about what happened there that last summer. She and her childhood best friend, Callie, never talked about what they saw. Not before the trial. And certainly not after. But Tessa still has questions. Things have never quite added up. And now she has to go back to Fayette--to Wyatt Stokes, sitting on death row; to Lori Cawley, Callie's dead cousin; and to the one other person who may be hiding the truth. Only, the closer Tessa gets to what really happened, the closer she gets to a killer--and this time, it won't be so easy to run away." -- Page [4] cover.

When Anne's misbehavior sends her from her Upper East Side prep school to a prestigious boarding school outside of Boston, her only goal is to get back home until her roommate, Isabella, is murdered and Anne decides to get to the bottom of the mystery, whatever the cost. Original.

MCMANUS, New York Times bestselling author of *One of Us Is Lying* "A crafty, dark, and disturbing story."--KATHLEEN GLASGOW, New York Times bestselling author of *Girl In Pieces* "A little bit Riverdale and a little bit Veronica Mars."--RILEY SAGER, bestselling author of *Final Girls* A Goodreads Best Young Adult Book of the Year Nominee From the author of *The Darkest Corners* and *Little Monsters* comes an all-new edge-of-your-seat thriller set in upstate New York about an eerie sequence of seemingly unrelated events that leaves five cheerleaders dead. There are no more cheerleaders in the town of Sunnybrook. First there was the car accident--two girls dead after hitting a tree on a rainy night. Not long after, the murders happened. Those two girls were killed by the man next door. The police shot him, so no one will ever know his reasons. Monica's sister was the last cheerleader to die. After her suicide, Sunnybrook High disbanded the cheer squad. No one wanted to be reminded of the girls they'd lost. That was five years ago. Now the faculty and students at Sunnybrook High want to remember the lost cheerleaders. But for Monica, it's not that easy. She just wants to forget. Only, Monica's world is starting to unravel. There are the letters in her stepdad's desk, an unearthed, years-old cell phone, a strange new friend at school. . . . Whatever happened five years ago isn't over. Some people in town know more than they're saying. And somehow, Monica is at the center of it all. There are no more cheerleaders in Sunnybrook, but that doesn't mean anyone else is safe. More Praise for Kara Thomas: "Gripping from start to finish . . . with twists that left me shocked."--VICTORIA AVEYARD, #1 New York Times bestselling author of *Red Queen* "You'll be up all night tearing through the pages."--BUSTLE "This deliciously deceptive thriller...is a must-have."--SLJ

When Kacey moves in with her estranged father and his new family, her new friend goes missing and Kacey finds herself at the center of the investigation.

An emotional YA romance about small town secrets, high school football, and broken hearts. Julian Jackson has a short to-do list for his senior year at Crenshaw County High School in Meriden, Texas: football, football, and more football. He knows he's only got one chance to earn a college scholarship and make it out of his small town, and keeping his head down, his grades up, and his cleats on the field is that one chance. And then Elijah Vance walks back into his life, throwing all of his carefully-laid plans into a tailspin. Elijah and Julian used to be best friends, maybe even on their way to something more than just friends. But three years ago, Elijah broke into the school to steal money from the coach's office, and Julian was the one who turned him in. After that, Elijah and his family disappeared without a trace. And now he's back, sitting at Julian's grandmother's kitchen table. But time and distance haven't erased all of their feelings, and Elijah knows that he finally has a chance to prove to Julian that he's not the same person he was three years ago. But with secrets still growing between them and an uncertain future barreling towards them, it may be harder to lean on each other than they thought.

Anne Dowling is still fascinated by the death of Wheatley student Matthew Weaver 30 years before that of her roommate, Isabella, but further investigation could endanger her relationship with Brent as the Spring Formal and its notorious afterparty approach. Original.

When seventh-grader Piper's father is hired by Chumley Prep, a school where every student seems to be the best at everything, she gets the chance to compete for the prestigious Excelsior Award.

She's the only one who knows what it's like to be the only one. When Claire's best friend, Bess, moves away, she becomes the only girl left in her entire school. At first, she thinks she'll be able to deal with this -- after all, the girls' bathroom is now completely hers, so she can turn it into her own private headquarters and draw on the walls. When it comes to soccer games or sailing races, she can face off against any boy. The problem is that her other best friend, Henry, has begun to ignore her. And Webby, a super-annoying bully, won't leave her alone. And Yucky Gilbert, the boy who has a crush on her, also won't leave her alone.
