The fifth edition of Social Policy for Effective Practice offers a rich variety of resources and knowledge foundations to help social work students understand and contend with the continually evolving social policy landscape that surrounds them. The authors have continued their values-based approach and kept the focus on clients' strengths to help students position themselves for effective engagement on new fronts where policy threats and outcomes affect clients' lives in myriad ways. The new edition comprehensively covers the process of defining need, analyzing social policy, and developing policy, and each chapter builds on the practical knowledge and skills forged from previous ones. New to this edition: Thorough examination of new policies, including challenges to the Affordable Care Act, voting rights, immigration, women's rights, and LGBTQ+ rights, as well as situations involving substance use, mental health, and economic inequality. Expanded coverage of shifting demographics, including population diversity and aging. Increased connections drawn between historical, present, and potential future policy contexts Updated exercises, exhibits, and social media links in-text and an entire suite of web-based tools found through www.routledgesw.com, including complementary reading suggestions and teaching tips, a full library of lecture slides and exam questions, and EPAS guidelines. For use as a resource in foundations generalist social policy courses, either at the baccalaureate or master's levels, the new edition of Social Policy for Effective Practice will challenge students to find areas of policy practice that spark their passion and prepare them to think about and use policy practice as a tool that can lead to the changes they care about.

For use as a text in foundations generalist social policy courses, either at the baccalaureate or master's level, this book examines the process of defining need, analyzing social policy, and developing new policy. A clear philosophical base and a common theoretical framework underlie the discussion of each component of the policy process. Four themes are interwoven throughout the book: the importance of thinking critically about social policy, the benefits of using the strengths perspective in policy analysis and development, the critical role social policy plays in all areas of practice, and the absolute responsibility of every social worker to engage in policy practice. Routledgesw.com now contains 6 cases; the Sanchez Case has been revised to include much more policy content. Instructor materials include extra readings, PowerPoints, test questions, annotated links, syllabi, and EPAS guidelines.? The book is also customizable on Routledge Custom Gateway.

Helping to Get Policy Enacted

What are the challenges facing gerontological social workers—today and in the near future? This book gives you an essential overview of the role, status, and potential of gerontological social work in aging societies around the world. Drawing on the expertise of leaders in the field, it identifies key policy and practice issues and suggests directions for the future. Here you'll find important perspectives on home health care, mental health, elder abuse, older workers' issues, and death and dying, as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly. With *Gerontological Social Work Practice: Issues, Challenges, and Potential* you'll explore: the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic, political, and social issues in order to promote positive change the long-term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths-based and empowerment-oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more!

Never HIGHLIGHT a Book Again! Includes all testable terms, concepts, persons, places, and events. Accompanies: 9780415519915. This item is printed on demand.

A conceptual and practical presentation of the strengths perspective in social work. Part of Advancing Core Competencies Series, a unique series that helps students taking advanced social work courses apply CSWE's core competencies and practice behaviors examples to specialized fields of practice. The *Strengths Perspective in Social Work Practice, 6/e*, presents both conceptual and practical elements of the strengths perspective - from learning about and practicing the strengths perspective to using the strengths perspective with older adults, the chronically ill, and substance abusers. Many of the chapters- address recent events -from the tragic shooting in Tucson to the uprisings in the Middle East. Each chapter begins with a section from an expert in the field. Teaching & Learning Experience Improve Critical Thinking - Each chapter contains four critical thinking questions and two short essay questions that require the reader to apply key concepts. Engage Students - Extensive case examples keep students interested and help them see a connection between theory and practice. Explore Current Issues - Three new chapters have been added to reflect the most current knowledge in the field. Apply CSWE Core Competencies - The text integrates the 2008 CSWE EPAS, with critical thinking questions and practice tests to assess student understanding and development of competencies and practice behaviors. Support Instructors - PowerPoint presentations are available with this text.

This addition to Anissa Rogers' bestselling *Human Behavior in the Social Environment* expands the original text with new chapters on spirituality, families and groups, organizations, and communities. Written in the compact, concise manner of the original text, the new chapters cover mezzo and macro contexts, and offer additional material valuable to two- and three-semester HBSE courses.
