“ Sleek and suggestive . . . [Reality and Dreams] is so smart and seductive that you fail to notice how completely you ’ ve accepted a world gone utterly awry. ” —Kirkus Reviews British film director Tom Richard won acclaim for his moments of pure creative inspiration. But when Richard is hospitalized after toppling from a crane during a shoot, he awakes not knowing what is real and what is not—and with no idea who to trust. Soon his wife, children, and friends are all undergoing crises of their own, from the breakup of a marriage to the loss of a job. As Richard fights to regain his health and stay centered amid the swirling chaos of his personal life, he must also wrest control of his film—his most prized pursuit—from those who seek to take it away. Witty and engrossing, Reality and Dreams is a whiplash ride through the highs and lows of the creative process.
