The welfare state, family and work We are active in researching contemporary public policy welfare and social protection issues, such as proposals for universal basic income (UBI). We research the reform of welfare states through a particular focus on political economy, its tools, methods and explanatory frameworks.

As the benefit level that can be informally enforced by the family falls, it may become optimal for the state to intervene and take over responsibility for social insurance provision from the family. But if

Read Free Family And The Welfare State In Europe

strong family ties exist naturally, the state's best response is to keep these ties (with the associated gains from monitoring of individual behaviour by peers) and opt out of welfare provision altogether.
