Fiction and the Figures of Life. As with his first novel, Gass's first book of non-fiction, Fiction and the Figures of Life, made an immediate and profound impact on critics. The New York Times Book Review said, "the unlikely combination of criticism, philosophy and metaphorical inventiveness has resulted in a kind of poetry." A collection of essays and reviews, Fiction and the Figures of Life set the stage for numerous books like it to follow, strengthening Gass's reputation as a master ...

Fiction and the Figures of Life opens with images from the series Stillness and Dark Matter, spacious, pure landscapes, devoid of any sign of human presence, that are reduced to the fundamental elements of composition: line, color and light. These minimalistic images convey a balanced, and at the same time, ambiguous visual and sensory ...

Five books to read if you love portraits of historical figures

Traditionally the treatment of historical figures in fiction was realistic in style and respectful of fact. A historical novel would be true to the facts known about the period in which the novel is set, a biographical novel would follow the facts that are known about the protagonist's life, and a "roman à clef" would try to give an accurate interpretation of what is known about a public ...
