If he's worth spending your life with, he's worth fighting for. He might not know how you feel. If you're not good at showing your emotions, your partner might not even know how you feel. You may have been inadvertently pushing him away. This means it's time to fight and show him exactly how you feel.

"Fight for your life" is more politically ambitious than the LHoTL imitators it is commonly lumped in with, transposing the race roles of slave times (the 'master' is a moneyed man who cracks a mean whip; the 'slaves' are quietly obedient out of fear of abuse) into the late-1970s, after the Civil Rights movement, where blacks are only starting to find their place in an overwhelmingly white society.

[Fight for Your Life \(1977\) - IMDb](#)

The author repeatedly stressed the importance of being aware of ones surroundings, using binoculars to assess the area, spotting bears before you are close, and staying down wind of bears in the same area so you're able to pass around them so a confrontation doesn't take place that would necessitate having to make the choice of playing dead or putting up the fight of your life to survive.
