sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Avancemos was developed as a result of extensive research with practicing Spanish teachers from throughout the United States. Based on this research, Avancemos integrates culture as a cornerstone for meaningful communication in Spanish; provides practice with a purpose by setting clear learning goals, providing frequent self-checks, and offering leveled practice activities; encourages language learning that lasts by teaching manageable chunks of language, and providing frequent recycling and review within each lesson, as well as at the end of each lesson and unit. - Publisher.
