Author of Mastering the Art of French Eating, Ann Mah is undoubtedly an expert on all things relating to French food. The delights of Instantly French! range from appetizers like eggplant caviar, pâté de campagne, and savory mini blue cheese cakes to soups like traditional French onion or an autumnal purée of butternut squash and chestnut. From one of the most beloved chefs and authors in America, a beautifully illustrated collection of 150 simple, seasonal Italian recipes told with commonsense cooking wisdom—from the cutting board to the kitchen table. As storyteller and chef, Lidia Bastianich draws on anecdotes to educate and illustrate. Recalling lessons learned from her mother, Erminia, and her grandmother Nonna Rosa, Lidia pays homage to the kitchen sages who inspired her. Whether it's Citrus Roasted Veal or Rustic Ricotta Tart, each recipe is a tangible feast. We learn to look at ingredients as both geographic and cultural indicators. In Campania, the region where mozzarella is king, we discover it best eaten three hours after preparation. In Genova we are taught that while focaccia had its basil origins in the Ligurain culinary tradition, the herbs and flavorings will change from region to region; as home chefs, we can experiment with rosemary or oregano or olives or onions! When it's time for dessert, Lidia draws on the scared customs of nuns in Italian monasteries and convents and reveals the secret to rice pudding with a blessing. Lidia's Commonsense Guide to Italian Cooking is a masterclass in creating delectable Italian dishes with grace, confidence and love.
