Despite our advancements in science and medicine, death remains one of civilization's most glorious mysteries. Doctors have written books on near-death experiences, but research and data for pre-death experiences is scarce. Here, in this groundbreaking book, Dr. Lerma shares his valuable research and guidance in 16 inspirational stories of children and adults confronting their deaths through the comforting visions of divine beings. By presenting the mysterious visions, synchronicities, and angelic conversations terminally ill patients encounter, Dr. Lerma shows how knowledge of death can ease the pain and fear as we prepare to enter into the light. The poignant stories in Into the Light will leave you feeling uplifted in faith, hope, and love.

John Lerma 's best-selling book, Into the Light, inspired thousands of readers to discover not only what awaits us as we prepare to make our journey from earth to heaven, but, more importantly, how to achieve heaven on earth. In Learning From the Light, Dr. Lerma shares more angelic messages given to his patients and more stories from and about survivors who have experienced the loss of a loved one...and their visits with angels. The mystical experiences described in this revelatory work include: Messages about the future of the world. Lessons on how to prepare for a peaceful and joyful transition to the next world. Selfless suffering and its effect on humanity. Electronic voice phenomena (EVP). Interactions with white angels and dark angels. Based on the latest research on near-death and pre-death experiences, Learning From the Light will show you: How to achieve heaven on earth. How to achieve self-forgiveness and self-love. How to disconnect from your ego to awaken your spiritual self. Religious skeptics often claim that heaven 's existence cannot be proven, because no one has ever returned to talk about it firsthand. This is the book that proves them wrong.

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsbea; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.
