helpful material that will greatly assist both students and instructors.

In particular, chapters 1, 8, and 9 have been greatly enhanced without disturbing the book's clear and gradual pedagogical approach. Specifically: Chapter 1 now uses a simpler and better definition of "deductive validity," which

Download Free Introduction To

enhances the rest of the book (especially chapters 1 and 8-10, and their new components).

Chapter 8 now has:

Simpler definitions of "simple statement" and "compound statement"

More and more detailed examples of the

Complete Truth-Table

Method. Chapter 9 now

has: A detailed, step-by-step account of the
