Readers will learn about the core teachings and beliefs of the world's most widely practiced religions through the lens of two different perspectives, one from the United States and the other from another country where the religion is predominant, and dive deep into the important figures, sacred texts, holidays, and commandments. This narrative nonfiction series uses considerate text that is written at a higher maturity level with a lower reading level to engage and accommodate struggling readers. Includes sidebars that are aligned with the Common Core Standards, a comprehensive timeline, and activity. A table of contents, glossary with simplified definitions and pronunciations, and index are also included.

The DARPA Grand Challenge was a landmark in the field of robotics: a race by autonomous vehicles through 132 miles of rough Nevada terrain. It showcased exciting and unprecedented capabilities in robotic perception, navigation, and control. The event took place in October 2005 and drew teams of competitors from academia and industry, as well as many garage hobbyists. This book presents fifteen technical papers that describe each team's driverless vehicle, race strategy, and insights. As a whole, they present the state of the art in autonomous vehicle technology and offer a glimpse of future technology for tomorrow's driverless cars.

Want More Freedom and Travel in Your Life? Read on to Discover an Increasingly Popular Lifestyle That's Surprisingly Affordable. In the words of Bob Dylan, "The Times They Are A Changin'." And while this sentiment will always be true, right now it means some pretty exciting things are happening. They have the potential to revolutionize lifestyle and dramatically increase your quality of life. Ubiquitous technologies and flexible societal structures have created opportunities that were previously unimaginable. For example, remote and freelance work has become incredibly common and highly popular given its desirable flexibility and convenience. The RV lifestyle takes these ideals a step further. Living entirely in an RV, you untether completely from a traditional home base and start having a new experience of life. Despite what you might think, the RV lifestyle isn't just for the wealthy or the retired. While it's an alternative living arrangement, you can still continue to work, have a place to come home to every night, and raise a family. 9 million families in the US currently own an RV. Of those, nearly half a million live in theirs full time. This trend is only increasing. It's a fantastic opportunity to get out of the daily grind with more... Freedom Travel Connection to nature and outdoor activities Focus on experiences and relationships (rather than stuff) ..and adventure. It just takes some preparation, adjustment, and investment to get everything in place and in the swing of things. Though there's upfront effort and expenses, you 'll end up saving time and more than \$5000 a year in the long run. "The RV Lifestyle Manual" helps you see if this is for you, get everything up and running, and plan while on the road. In the book, you'll discover: Tons of details and requirements covering every aspect of the RV lifestyle that most people don't think of until they're on the road Answers the riddle of how to live comfortably on the open road (easier than you think). Key requirements for earning an income while traveling Baby steps to downsizing your life and making money in the process RV Purchasing guide - what to look for in an RV based on your situation, intended use, and budget Unexpected things that come up regularly and how to deal with them like it's no big deal How to change things up to make RVing work with children and pets Surprisingly simple things you can do to make a small space feel bigger and homey. Planning your route with lesser-known campgrounds to save money and delight your soul. Frequently asked questions and concerns resolved And much more. Some people resist the idea of an RV lifestyle because it's different than conventional living. While the benefits are extraordinary, the apprehension about change and costs is understandable. By first learning about everything that's involved with the RV lifestyle, you can make an informed choice. Further, you can stagger the changes you're making so everything doesn't come all once. For instance, you can transition to working remotely, downsizing to a smaller fixed living arrangement, or renting an RV to experience it for a limited time. If you want to upgrade to a lifestyle that gives you more of what you're looking for in life, scroll up and click the Add to Cart button.

Texas, 1836. The Republic of Texas began the fight for independence in 1833. For several years, Texans fought the Mexican government for the right to rule itself. One of the historical battles was fought on March 6, 1836, at the Alamo, a crumbling fort defended by 154 men. Stand with the defenders in what became a symbol of Texan courage and sacrifice in this impressive graphic novel. Maps, timelines, glossaries, and indexes make these titles an exciting addition to classroom discussion.

Presents both sides of three issues concerning nuclear energy: using nuclear energy for electricity, building nuclear weapons, and disposing of radioactive waste.
