The only sensible member of her family, Venetia is sure she can fix any problem, even this one. So when an irate Gregor catches up with her, arrogantly expecting a hero's welcome, the sparks between them begin to fly. Then an unexpected snowstorm traps them at an inn, and Gregor discovers his feelings for the lovely Venetia are far warmer than he realized -- fiery enough to burn down the inn! Now if he can only convince Venetia that his motive for marriage isn't duty... but desire.
