PCCS Standards - Paediatric Critical Care Society

About 4 hours ago from Paediatric Critical Care Society's Twitter via Twitter Web App
@dr_mark_russell Sorry Mark - we've raised the issue with our IT support team and they are working on restoring the link - should be back up and running within the week but if any ongoing issues, please do let us know.

Home - Paediatric Critical Care Society

These guidelines are presented to update the existing guidelines published in 1993. Pediatric critical care services are provided in level I and level II units. Within these guidelines, the scope of pediatric critical care services is discussed, including organizational and administrative structure, hospital facilities and services, personnel, drugs and equipment, quality monitoring, and training and continuing education.

Guidelines and Levels of Care for Pediatric Intensive Care ...

PICS has created this page to post information on Covid-19 infection relevant to the paediatric critical care community. PICS is working with Simon Kenny (National Clinical Director), RCPCH, NHS England, and the National Emergency Critical Care Committee to advise on Covid policy relevant to critically ill children and to co-ordinate planning with our key partners.
