You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

Based on the successful Baby Owner's Manual, The Baby Owner's Maintenance Log presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.

JOTTINGS is a collection of the stories that Liz Smith has written over the years. Sometimes they explore the darker side of life and what may occur out of the public gaze: a rich and lonely housewife neglects her child and the nanny subjects her charge to unpleasant and adult scenes; a man's wish for fame catapults him into prison and mistaken notoriety; an unhappy wife loses her only friend and is haunted by her. Other stories are more amusing: the sexy, man-eating woman who runs the mobile library: moving through the fog of 1950's London with the help of a blind man; a scheming daughter who plans to take her mother's money has a surprising comeuppance. Liz's stories are unexpected, original and revealing of a writer who is fascinated by relationships and the barriers we erect between our public and private selves.

After Anna and Beth take a relationship quiz from a magazine, Beth begins to see problems in her relationship with her boyfriend Joey and starts doubting her feelings with regard to a person she hardly seems to know.

This latest Red Star title examines the history, development, and operational career of the MiG-25 both with the air forces of the Soviet Union and in those countries to which the aircraft was exported.

The remarkable trilogy from SUNDAY TIMES No.1 Bestseller Dave Pelzer - now in one volume. A CHILD CALLED 'IT' is Dave Pelzer's story of a child

beaten and starved by his emotionally unstable, alcoholic mother: a mother who played torturous, unpredictable games that left one of her three sons nearly dead. Dave was no longer considered a son, or a boy, but an 'it'. His bed was an old army cot in the basement and when he was allowed food it was scraps from the dogs' bowl. Throughout, Dave kept alive the dream of finding a family who would love and care for him. **THE LOST BOY**: the harrowing but ultimately uplifting true story of Dave's journey through the foster-care system in search of a family who will love him. **A MAN NAMED DAVE**: the gripping conclusion to this inspirational trilogy. With extraordinary generosity of spirit, Dave takes us on a journey into his past. At last he confronts his father and ultimately his mother. Finally, Dave finds the courage to break the chains of the past and learn to love, trust and live for the future.

This title provides a practical guide for regulators, policy-makers, and utility managers for establishing regulatory accounts that can be the cornerstone for better, more complete, and more reliable information. It sets out the essential accounting features of regulatory accounts and provides practical guidance on controversial areas such as cost allocation, asset valuation, and depreciation. It emphasizes the essential requirements for consistency with Generally Accepted Accounting Principles (GAAP).

LA gets a little hotter when there's blood on the streets... Los Angeles, a city of vampires and shifters where violence simmers just below the surface. LAPD Lieutenant Christine Humber has worked for years in the city's most violent district, nicknamed Monster Central. When Chris examines the murder scene of a werewolf, a particularly hard-to-kill shifter, she doesn't find a shred of evidence. A serial killer was just what the city needed to make tensions start to bubble over. Threatened by the chance of a new urban revolt, the FBI steps in and tries to take the case. Chris reluctantly teams with the overly slim and beautiful Agent Flint to maintain the fragile peace. As the shifter body count grows, Chris and Flint must find answers before war and death spill out onto the streets. **Wolf's Revenge** is the second book in the **Shifter Legacies**, a horror and sci-fi/fantasy series that features page-turning adventure, gripping suspense, sweet romance, and realistic characters. If you liked **Way of the Wolf**, you'll love diving back into Mark E. Cooper's well-fleshed out world. Buy **Wolf's Revenge** to continue the series today! Reading order: 1. **Way of the Wolf** 2. **Wolf ' s Revenge** 3. **Wolf ' s Justice** (TBA) 4. **Wolf ' s War** (TBA) A story set in the near future of an alternate United States where creatures of myth are real and have always lived, not always peacefully, with humans who are the dominate force on earth. Werewolves and shifters, vampires and elves all play their part.

In this pathbreaking new book, Mary P. Nichols challenges this, arguing that Allen's work, from **Play It Again, Sam** to **Deconstructing Harry**, is actually an attempt to explore and reconcile the tension between art and life.
