Seven Views of Mind - Wallach, Lise, Wallach, Michael A ...

This book examines seven different answers to the question, "What are we talking about when we talk about the mind?" It begins by considering the dualistic view, frequently taken for granted by students, that words like "belief," "anger," and "jealousy" refer to a realm quite distinct from the physical world, and notes the difficulties associated with this view as well as why many find it compelling.
