- Opening lines that really work - Tips and tricks for the tongue-tied - The etiquette of escape - Mastering the fine points of eye contact, small talk, introductions, and more - Feel terrific at any party -- business or social Does the idea of talking to a lot of people you don't know make you weak in the knees? You may be suffering from mingle-phobia -- a secret fear of parties. The Art of Mingling will show you how to overcome your fears, meet new people with charm and confidence, and acheive social success at every kind of party -- business or pleasure. Filled with dozens of simple techniques, tricks, lines and maneuvers, The Art of Mingling will help you: - Develop the right mindset for entering a room full of strangers - Choose your first mingling target - Deliver opening lines that really work - Keep the conversation alive and interesting - Master the etiquette of escape - Circulate with grace and style - Use advanced mingling techniques such as body language, accents, props, toasts, and name tags for maximum effect - Recover from faux pas -- everything from spills and memory lapses to wrong attire - Negotiate tough rooms (too crowded, too empty, too "too") - Feel completely at ease at any kind of party

Explains how to overcome social fears to have a great time at any type of business or social gathering, presenting dozens of tips, techniques, tricks, lines, and maneuvers that cover basic survival strategies, the etiquette of escape, faux pas recovery, how to negotiate a tough room, and how to keep the conversation going in the right direction. Original. 15,000 first printing.

From the bestselling author of The Art of Mingling, an essential how-to for navigating today ' s conversational minefields. We are living in a new social era: The Powder Keg Era. These days almost every subject leads straight to politics, and the conversation goes straight to hell. In a nation that is completely polarized, with most of us continually pummeled by social media and the 24/7 news cycle, our social lives are taking a hit. It can happen anywhere: at a friend ' s birthday bash, a wedding reception, the gym, your local cafe, or your family Thanksgiving dinner. Even a group Zoom with colleagues or office mates can be dangerous. Suddenly, what began as a perfectly innocent chat about chocolate cake or seasonal allergies takes a bad turn, and you find yourself in an ugly argument about genetically altered foods or the healthcare system. Every day the tensions among us seem to be rising; the ever-widening ideological chasm is hurting our ability to communicate. So, how can we learn how to converse with people who are on the " other side " —without anyone getting hurt? With an insightful and down-to-earth sensibility, bestselling author Jeanne Martinet offers a practical and encouraging guide to navigating conversations in our current social climate. She illustrates easy-to-learn techniques and strategies to help you: keep your mind open, know your own triggers, pick the best topics, change course to avoid disaster, be an active listener, master the ability to yield without losing, employ humor and storytelling to ease tension, go undercover when necessary, be a brilliant subject changer, and find common ground. She also provides important tips on knowing when it ' s time to take up the gauntlet and when it ' s better to make a graceful escape. We have to keep talking to each other at all costs. Social interaction is a positive force that we need in order to thrive, individually and as a society, especially in today ' s fractured world. Learning to mingle with the " enemy " is about figuring out how to have conversations with people that may make us afraid or angry. It ' s about recognizing the presumptions—even prejudices—we all have when coming into contact with certain people. With the ultimate goal of teaching us how to connect with each other more fully, Mingling with the Enemy furnishes a road map for successfully traversing any and all hostile territories—without anyone getting blown up.

Fully revised and updated-with Jeanne Martinet's trademark wit and practicality, The Art of Mingling hands you the keys to feeling at ease in any social situation Does the idea of going to a large party make your mouth go dry? Are you more comfortable on Facebook than face-to-face? You're not alone: Ninety percent of the world suffers from minglephobia. Jeanne Martinet has developed a cure-a sure-fire system for overcoming fears and having a great time at any type of business or social gathering. Filled with simple techniques, tricks, tips, lines and maneuvers, and illustrated with entertaining examples, The Art of Mingling teaches you: \* Basic survival strategies for the Truly Terrified \* Opening lines and gambits that really work \* Tools and rules for keeping the conversation going in the right direction \* The all-important etiquette of escape \* Faux pas recovery techniques \* How to avoid the dumb use of smartphones \* The secret to being a good listener \* The right way to follow up online \* and much, much more!

The Song of Solomon offers strikingly candid—and timeless—insights on romance, dating, marriage, and sex. We need it. Because emotions rise and fall with a single glance, touch, kiss, or word. And we are inundated with songs, movies, and advice that contradicts God's design for love and intimacy. Matt Chandler helps navigate these issues for both singles and marrieds by revealing the process Solomon himself followed: Attraction, Courtship, Marriage ... even Arguing. The Mingling of Souls will forever change how you view and approach love.

Welcome to your watercolor happy place! The world of Danielle Donaldson is as wondrous as a jar full of fireflies. Her whimsical illustrations are known for their offbeat color combinations, artful arrangements and endearing quirkiness. In this book, you'll learn how to partner with the wonderfully spontaneous medium of watercolor to create your own brand of magic. Start by creating a handmade journal, then follow exercises and start-to-finish projects to fill it with illustrations that are small in size but big on color. Along the way, Danielle shares her fresh takes on color theory, perspective, composition and more. Designed to get your brush moving, this book makes practice feel like play. It's a one-of-a-kind journey for any artist wishing to tap into the utter joy of watercolor painting and make it a cherished part of your daily life. Inside you'll find: • Imaginative techniques that help you override perfectionist tendencies while making the most of watercolor's unpredictable nature • An inventive approach (using scraps of paper, ribbon and other ephemera) for more creative color choices • A simple strategy that makes drawing new subjects less intimidating and more fun • Sweet ways to add hand lettering to your artwork • Inspirational exercises that make finding subjects to paint as easy as A-B-C "Don't underestimate the giddiness you feel when you mindlessly grab a color and mix it with another and create the most beautiful wash ever!" --p43

Offers a full gamut of strategies and techniques for socializing, from making that first connection with someone to maintaining a long-term relationship.

In a crowded world you need to be seen! Schmingling - The Art of Being Well-Connected Through Blatant Self-Promotion shows you how to be seen and perceived as a leader in your industry. This book is for you if you are an introvert, are new to your industry or want practical and actionable tips to stand out and be seen. Author, Faith McKinney, knows from experience how to be seen. Although she is an introvert, Faith has been quoted in The Wall Street Journal, many national blogs, and books. Faith is lead Ambassador of Successful Thinkers of Indianapolis. She is an on air personality for ICindyMag.com where she has interviewed everyone from newsman Dan Rather to musician Kirk Franklin. Through Schmingling, Faith has been elevated to celebrity status even though she works as a janitor. She is a sought after speaker and advisor for business and social advice even though she did not complete college. Schmingling - The Art of Being Well-Connected Through Blatant Self-Promotion will give you the confidence to create the expert and celebrity status you need to succeed in your business. "Faith McKinney has done it! Schmingling - The Art of Being Well-Connected Through Blatant Self-Promotion, perfectly re-frames the concept of networking so that you can build meaningful, extraordinary, and very rich relationships in both your personal and professional lives. She is Indianapolis' best when it comes to networking. It is her passion. This book will help so many people who are looking to get to the next level. Schmingling - The Art of Being Well-Connected Through Blatant Self-Promotion, should be mandatory reading for anyone wanting to enhance their personal and professional relationships in a way that is mutually beneficial and personally rewarding. We all need to build and sustain meaningful relationships based on mutual give and take. Faith has the formula to show us how." Jesse Brown Dean, School of Business, Martin University, Indianapolis, IN Author of Investing in the Dream, and Pay Yourself First - The African American Guide to Wealth and Prosperity January 2013
