future to find that humanity has evolved into two races: the peaceful Eloi — vegetarians who tire ...

## The Time Machine - Dover Publications

A tale of someone who builds a time machine, travels way into the future, has an adventure, and arrives back in the past in time for dinner with friends he had shown a prototype of his machine to barely 24 hours before. He proceeds to describe his trip, his experiences, and his adventures after which is not clear who actually believes him or not.
