The Tipping Point is the ninth book in the Surviving the Fall series. This could be read as a standalone but should not be. It will make more sense if you have read the earlier books plus it has a cliffhanger ending. There is violence, it is an apocalyptic thriller, so it might not be suitable for more sensitive readers.

~~Overview of "The Tipping Point" by Malcolm Gladwell~~

Tipping point is definitely a book that should open the eyes of believers and nonbelievers. No one on earth knows when the Lords return will be, but God gave us things to watch and be ready for His return. What a great day that will be. Pray that each reader receives eyes of understanding. One thing is for certain, it could be any day!

~~The Tipping Point Summary Four Minute Books~~

The Tipping Point was Gladwell ' s first successful book, which he adapted from an article he wrote about the drop in crime in New York City and the social movements that made it happen. Gladwell knew something that all social media marketers would need to know just a few years later. He saw what made people attracted to ideas and products.
