Casey Plett's 2018 novel *Little Fish* won a Lambda Literary Award, the Firecracker Award for Fiction, and the Amazon First Novel Award (Canada). Her latest work, *A Dream of a Woman*, is her first book of short stories since her seminal 2014 collection *A Safe Girl to Love*. Centering transgender women seeking stable, adult lives, *A Dream of a Woman* finds quiet truths in prairie high-rises and New York warehouses, and in freezing Canadian winters and drizzly Oregon days. In "Hazel and Christopher," two childhood friends reconnect as adults after one of them has transitioned. In "Perfect Places," a woman grapples with undesirability as she navigates fetish play with a man. In "Couldn't Hear You Talk Anymore," the narrator reflects on past trauma and what might have been as she recalls tender moments with another trans woman. An ethereal meditation on partnership, sex, addiction, romance, groundedness, and love, the stories in *A Dream of a Woman* buzz with quiet intensity and the intimate complexities of being human.

During a space-station layover, Pendt escapes and forms a lucky bond with the Brannick twins, the teenage heirs of the powerful family that owns the station. Against all odds, the trio hatches a long-shot scheme to take over the station and thwart the destinies they never wished for.

When it becomes clear he was murdered, Lindsey can't help but wonder if it had to do with the wedding. Now she has to book it to solve the mystery before it ends her happily ever after before it's even begun....

"Gala, a young trans woman, works at a hostel in Truth or Consequences, New Mexico. She is obsessed with the Get Happies, the quintessential 1960s Californian band, helmed by its resident genius, B----. Why did the band stop making music? Why did they never release their rumored album, *Summer Fun*? Gala writes letters to B---- that shed light not only on the Get Happies, but paint an extraordinary portrait of Gala. The parallel narratives of B---- and Gala form a dialogue about creation--of music, identity, self, culture, and counterculture"--

In this unabashedly queer middle grade debut, a week-long amusement park road trip becomes a true roller coaster of emotion when Dalia realizes she has more-than-friend feelings for her new bestie. Dalia's journey to self-discovery is refreshingly honest, and this entire cast of characters will steal your heart." - Maulik Pancholy, actor and Stonewall Honor-winning author of *The Best At It Would-be* amusement park aficionado Dalia only has two items on her summer bucket list: (1) finally ride a roller coaster and (2) figure out how to make a new best friend. But when her dad suddenly announces that he's engaged, Dalia's schemes come to a screeching halt. With Dalia's future stepsister Alexa heading back to college soon, the grown-ups want the girls to spend the last weeks of summer bonding--meaning Alexa has to cancel the amusement park road trip she's been planning for months. Luckily Dalia comes up with a new plan: If she joins Alexa on her trip and brings Rani, the new girl from her swim team, along maybe she can have the perfect summer after all. But what starts out as a week of funnel cakes and Lazy River rides goes off the rails when Dalia discovers that Alexa's girlfriend is joining the trip. And keeping Alexa's secret makes Dalia realize one of her own: She might have more-than-friend feelings for Rani.
