Theorizing Cultural Work instead views cultural work through a specifically historicized and temporal lens, to ask: what novelty can we actually attach to current conditions, and precisely what relation does cultural work have to social precedent? The contributors to this volume also explore current transformations and future(s) of work within the cultural and creative industries as they move into an uncertain future.

Theorizing Cultural Work: Labour, Continuity and Change in ...

While academic critics have persuasively challenged more optimistic accounts of 'converged' worlds of creative production, the debate on cultural work has leant heavily towards suggesting a profoundly new confluence of forces and effects. Theorizing Cultural Work instead views cultural work through a specifically historical lens, to ask: what novelty can we actually attach to current conditions, and precisely what relation does cultural work have to social precedent?

Theorizing Cultural Work Labour Continuity And Change In ...

In recent years, cultural work has engaged the interest of scholars from a broad range of social science and humanities disciplines. The debate in this 'turn to cultural work' has largely been based around evaluating its advantages and disadvantages: its freedoms and its constraints, its informal but precarious nature, the inequalities within its global workforce, and the blurring of work-life ...
