Living Big In A Tiny House - YouTube

Living in the studio apartment, talking with friends who live tiny and staying several nights in tiny vacation homes have helped Walker and LeFevre determine what would be the optimum space and layout for their own tiny house. " My husband wanted to build the tiny house himself, but really we did not have the place to do that. " Walker said.

What should you think about before moving into a tiny house?

Residents let Insider into their tiny homes to show what tiny house living is really like. Some of it isn't so glamorous. Lofts, which are an important feature in tiny houses, can be cramped, hot, and hard to access. Appliances like stoves and bathroom sinks are considerably smaller than what many homeowners are used to.

Photos that show the ugly truth of living in a tiny house ...

Tiny home owner Alexa Nota revealed that zoning officials demanded she move her tiny home, which is classified as a recreational vehicle, after she appeared on an episode of Tiny House Nation. Although she admitted that it wasn't a "big deal" at the time, she noted, "What's more challenging, however, is that we won't always be classified as an RV as different municipalities' codes are all different."
