"a great mentor to a new Toastmaster. It complements the Toastmaster Competent Communicator Manual and gives the user ideas and insights into how to address stops and barriers they may experience and move efficiently through their initial Toastmasters Communication training" - Lance Miller, World Champion of Public Speaking

Raising a Toast is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster. Most of these speeches have sprung from my personal anecdotes—some funny, some thought-provoking. Few speeches will tell you stories of past and present, of people and places through my eyes. And then, there are a couple of speeches that raise some questions, for you and me to reflect

upon. But one common link that binds them all, is the stage of Toastmasters where they found life. Each of these speeches gave me an opportunity to pen down some burning message inside of me, to share my story to any audience which was willing to listen, to connect with those who took back something from what I had to say. Raising a Toast is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope, that when they read this, they get inspired to share their set of stories with the world.

The gift of mentoring is one of the benefits offered through a Toastmasters International club educational program. If a club has a mentoring program established, this book will stimulate new thinking for consideration. Is a club struggling to meet the expectation of a mentoring program? Mentoring: Value-Based Empowerment offers insights for developing a transformational mentor experience. An essential element of any successful club level mentoring program is to demonstrate the Toastmasters International values of respect, integrity, service, and excellence.

For many Toastmasters Clubs, one of the biggest challenges in running a successful and productive club is maintaining a constant flow of visitors to attend and join you and your fellow Toastmasters as a member. Members come and members go. Life happens! Your Club membership can quickly change from a healthy charter-strength club to one in danger of losing its Charter. Veteran Toastmaster of over two decades, Rae Stonehouse DTM (Distinguished Toastmaster), PDG (Past District Governor, District 21) has witnessed the cycle several times with his own club Kelowna Flying Solo Toastmasters. Social media is here to stay, at least until the next "big thing" comes along. Keeping up with what's new, what's hot and what's not could easily turn into a full-time job. And indeed it has for many people as they have created a new career as Social Media Managers. The Power of Promotion! On-line Marketing For Toastmasters Club Growth by Rae Stonehouse flattens the learning curve for anyone who wants to maximize their time spent on-line, without turning it into a full-time job. Rae believes that Toastmasters clubs should be run like businesses and social media platforms provide promotional and marketing opportunities that can help spread the word about one of the world's best kept secrets... Toastmasters. In this easy-to-read, how-to manual, Rae shares his experience with using social media to draw attention to his Toastmasters club and to convert visitors to social media properties to actually visit his club and to join. Offers advice on increasing vocal self-confidence, projecting authority through body language, and arguing without losing one's temper

The Internet has become humanity's invisible central nervous system, connecting us at the speed of thought. More people today have access to mobile phones than have access to clean drinking water. Yet the most important technology is still the one within us: our brain, body, and consciousness. A fast-paced career in the high-tech industry combined with a deep yoga and meditation practice has allowed Gopi Kallayil—Google's Chief Evangelist for Brand Marketing and one of the leading voices encouraging yoga and mindfulness in the workplace today—to integrate his inner and outer technologies to a remarkable degree. Wisdom from his yoga mat and meditation cushion guides his professional career, and his work life provides the perfect classroom to deepen his wisdom practice. The Internet to the Inner-Net guides the rest of us to do the same. In some three dozen wide-ranging, sometimes provocative essays, Gopi shares his experiments in conscious living and offers insight, inspiration, and rituals—including yoga, mindful eating, and even napping—to help us access our own inner worlds. If you're looking for grounded practical wisdom that might simultaneously help you become more

creative, adaptable, enthusiastic, effective, or resilient, you'll find it in this user's manual for the technology within along with colorful insight into the successful Google culture. In five sections, from "Log In" (which offers mindful ways of connecting and engaging) to "Clear Out Your In-Box" (shedding what doesn't serve you to make space for what does) to "Thank You for Subscribing" (a reminder to live with gratitude), Gopi lays out practices and perspectives that you can use starting right now to live with more purpose, fulfillment, and joy.

The Revolutionary Sales Approach Scientifically Proven to Dramatically Improve Your Sales and Business Success Blending cutting-edge research in social psychology, neuroscience, and behavioral economics, *The Science of Selling* shows you how to align the way you sell with how our brains naturally form buying decisions, dramatically increasing your ability to earn more sales. Unlike other sales books, which primarily rely on anecdotal evidence and unproven advice, Hoffeld's evidence-based approach connects the dots between science and situations salespeople and business leaders face every day to help you consistently succeed, including proven ways to:

- Engage buyers' emotions to increase their receptiveness to you and your ideas
- Ask questions that line up with how the brain discloses information
- Lock in the incremental commitments that lead to a sale
- Create positive influence and reduce the sway of competitors
- Discover the underlying causes of objections and neutralize them
- Guide buyers through the necessary mental steps to make purchasing decisions

Packed with advice and anecdotes, *The Science of Selling* is an essential resource for anyone looking to succeed in today's cutthroat selling environment, advance their business goals, or boost their ability to influence others.
