Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Vocabulary: Level A (3rd edition) introduces seventh graders to etymology as a means of determining the meanings of words. Students study Latin roots, prefixes, and suffixes to learn recognition of word families. Students also study synonyms, antonyms, and homonyms as well as positive and negative context clues to determine word meaning. Level B continues the study of Latin word parts and presents new words in word families that share a prefix, root, or suffix. Level C concludes the special emphasis on Latin word parts and discusses the difference between denotative and connotative meaning. Expands the discovery of word meaning through context. - Publisher.

Solutions for the Assessment of Bilinguals presents innovative solutions for the evaluation of language abilities and proficiency in multilingual speakers – and by extension, the evaluation of their cognitive and academic abilities. This volume brings together researchers working in a variety of bilingual settings to discuss critical matters central to the assessment of bilingual children and adults. The studies include typically developing bilingual children, bilingual children who may be at risk for language impairments, bilingual and multilingual children and adults found in classrooms, and second-language learners in childhood and adulthood. The contributions propose a variety of ways of assessing performance and abilities in the face of the multiple issues that complicate the best interpretation of test performance.

Que te parece? is an exciting and innovative new program suitable for any communicative or proficiency-based intermediate Spanish course. Both the grammar and the activities are driven by the content, so that they are always presented in an authentic context. The program offers a dynamic approach to the material by incorporating unique presentations of literature, culture, and the fine arts. This edition includes an interactive CD-ROM that further explores the fine art and literature from the Spanish-speaking world, as well as the video to accompany the text.

"Experiencias offers carefully sequenced activities, pre-tested in the authors' own classes, that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes, Experiencias incorporates activities that recycle previously learned material but with new topics, which allows students to continue mastering vocabulary and structures encountered earlier in the program"--
