A beloved character brings the power of the press to 1920s Butte, Montana, in this latest from the best storyteller of the West In the winter of 1920, a quirky bequest draws Morrie Morgan back to Butte, Montana, from a year-long honeymoon with his bride, Grace. But the mansion bestowed by a former boss upon the itinerant charmer, who debuted in Doig' s bestselling The Whistling Season, promises to be less windfall than money pit. And the town itself, with its polyglot army of miners struggling to extricate themselves from the stranglehold of the ruthless Anaconda Copper Mining Company, seems—like the couple' s fast-diminishing finances—on the verge of implosion. These twin dilemmas catapult Morrie into his new career as editorialist for the Thunder, the fledgling union newspaper that dares to play David to Anaconda' s Goliath. Amid the clatter of typewriters, the rumble of the printing presses, and a cast of unforgettable characters, Morrie puts his gift for word-slinging to work. As he pursues victory for the miners, he discovers that he is enmeshed in a deeply personal battle as well—the struggle to win lasting love for himself. Brilliantly capturing an America roaring into a new age, Sweet Thunder is another great tale from a classic American novelist.

But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Jud Block grew up in Texas in the 80s and 90s: heard the siren songs of Waylon, Townes, Billy Joe, Kris, and the Scottish poetry of Stuart Adamson, which afflicted him with a love of music at an early age; lacking any vestige of a Puritan work ethic, he learned to play bass and lurked around the Arlington/Fort Worth punk rock scene with a few bands (Elysian Fields/Death Rabbis) until it became clear that fashion had usurped the music's message, and he turned in his Doc Martens; around this time he bought his first acoustic guitar and learned five chords, which he later discovered was two chords too many, but he figured if he ever decided to go into prog rock, he's covered; after leaving Texas, he didn't play in a band, or solo, again until the outskirts of the new millennium, when he took on bass duties for an all-original blues-rock band (Kenny's New Car) in Orlando, Florida; in 2001, he moved to Charlotte, NC, and formed Cattletruck terrorizing the staid mindset of the financial district for nearly 10 years and released two CDs, Bourbon and Black Crepe and Branches from the Hangin' Tree, until that beast ran off the road and was left to become one with the Earth in some backwoods pasture; in 2009, he released his first solo CD, Empty Chamber Grace, a solo acoustic collection of dark, gallows humor-infused tales heavily influenced by Townes Van Zandt, Brent Best, Eric Taylor, Tom Russell, Charles Bukowski, and Larry Brown; and in 2012, he released his second CD, Barroom Gravity, which draws from the same influences as the first, but with a bit more flesh on the bones . In 2013, he returned to his home state of Texas armed only with an acoustic guitar and a stash of incisive lyrics in search of a few folks who'll take the time to listen.

Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain.
